Seongyup,
Forwarding you the answer to your question on Transmission shifts during CBI / Ex. 4

Just so you know we have forwarded the answer to the OBDII team as well.

Once we address the EGT sensor concern. We feel that we answered all you questions and concerns. We're of the opinion that we should receive the E.O. in short order.

I'm sure we will be in touch next week.

Hope you had a good weekend.

Best regards,

Bob,

The following response is provided in response to CARB's question regarding transmission shifts during **CBI / Ex. 4**

I got a question to **CBI / Ex. 4** for diesel Cruze. During the **CBI / Ex. 4** is the transmission shifted differently?

GM: The transmission does not shift differently due to **CBI / Ex. 4**
